# LONE PINE

ESTABLISHED IN 1948, LONE PINE WAS THE FIRST HOTEL ON BATU FERRINGHI BEACH, A HAVEN FOR EXPATRIATES AND THEIR FAMILIES FLEEING THE SEVERE WINTERS OF HOME. TODAY, COMPLETELY REFURBISHED, LONE PINE STILL RETAINS MUCH OF ITS OLD WORLD CHARM WITH ITS PRIVACY AND IDYLIC SETTING OF LANDSCAPED GARDENS.

#### OPEN YET DISCREET

While most hotels try to pack in as many guests as possible, Lone Pine has kept its guestrooms to an exclusive 50. Only two or three stories high, nearly all guestrooms face the sea and are thoughtfully spread out over almost 4 acres of landscaped gardens.

#### SPACIOUS YET COSY

If space is any measure of luxury, our guests will find themselves truly spoilt at Lone Pine. Almost all guestrooms open out to a terrace, balcony or private courtyard, accommodating families of five as easily as couples on their second honeymoon. Our Super Deluxe rooms, for instance, are furnished with two king-sized beds and a day bed ideal for afternoons naps.

#### EXCLUSIVE YET INFORMAL

For traditional dining with a contemporary twist, the menu at The Bungalow features

eclectic options ranging from Hainanese chicken rice to fish curry to filet mignon. Guests also have the alternative of dining alfresco at The Deck Bar. In either case, formal attire is not a requirement — just a hearty appetite.

#### CASUAL YET FOCUSED

Whether it's a lawn wedding reception for 200 or a management seminar for eight, Lone Pine will pull it off beautifully. Our function and meeting rooms face the sea, keeping events relaxed and easy, yet focussed.
